6. were 25 planes available hair base. Forty-eight pilots were trained ch regiment. Four plane qual to one Ketter four Ketten equalled one on; three squadrons equal with radar and radio faciliti per plane. The Russian instructor per plane, The Russian instructor per plane, The Russian instructor per plane.

- 7. The political training for the enlisted men and noncommissioned officers consisted of four meurs per week; for officers it was six hours per week. Until 17 June, the flying and ground crews received passes only once a week. After 17 June, they received passes every other day, usually until midnight and, on Saturdays, until 6 a.m. Only two members of the ground crew and several members of the technical supply personnel have defected since that date.
- 8. The ground crew T/O provided for one chief technician, two technicians, and four mechanics for each plane. There were about 40 men assigned to the hangars at each air base. There was one platoon of Signal Corps troops per air base. In the course of the reorganization of the Air Police, the division staff was dissolved. Since then the regiments have been directly subordinate to HVL and the entire Air Police has been renamed Aeroklub. The expression "regiment" has been mical base. The commanding officer of the division replaced by air bas was Lt. Col. Wilper He is now chief of the base in Bautzen. The Politkultur officers of the Ket padrons now belong to the air or technical personnel. The Politkultur officers of of the former staff are purely political and are complete military training.
- 9. The chief of the Cottbus bas

10. All personnel of the Air Police must go through basic infantry training. As in the Red Army, the flying personnel receives continuous drilling.
